

2021 Price List & Order Form

SPECIALISING IN BARE ROOTED DECIDUOUS TREES

Available for pick up or delivery

JULY 1st until beginning of SEPT. Hours during this period are:

Tuesday - Friday: By appointment only

Saturday: Browsing welcome 9am - 3pm (without appt.)

Sunday & Monday: CLOSED

Quantity discount applies to * 10% off when 5 or more of the same species/line are ordered.
* 20% off when 20 or more of the same species/line are ordered.

SIZE CATEGORIES FOR ORNAMENTAL VARIETIES, WEEPING/STANDARDS & EDIBLE VARIETIES:

Standard (Std): Regular stock. Height varies with the characteristics of each species but typically range 4 to 5 feet tall.

Super (Sup): These trees are generally from the same batch as above, but are the larger, stronger trees of that line.

Small (Sml): The smaller trees in the row.

ADVANCED: Trees are older and significantly larger.

MULTI-GRAFTS (all self-fertile)

3-way Apple 'Golden Delicious - Granny Smith - Jonathan'				78.00			
3-way Apricot 'Moorpark - Storey - Trevatt'				78.00			
3-Way Nectarine 'Goldmine - Fantasia - May Grand'				78.00			
3-way Peach 'Double Jewel - Redhaven - Tasty Zee'				78.00			

LC= low chill. For pollination, edibles with a numbered superscript must be planted near another variety with the same numbered superscript. For example, a Buffalo Queen chestnut should be planted alongside another variety of chestnut.

^S indicates self-pollinating variety and ^{PS} partially self-pollinating

Note: most self-pollinators still benefit from the presence of another variety

Conditions of Sale: Whilst due care is taken no warranty, express or implied, is given as to the quality, nature or description of our products and any liability will be limited to the value of the products purchased. Risk in these products passes to the purchaser on dispatch.

Check us out
on Instagram

**Availability**

Our trees are "bare-root" and only supplied during our Winter season (1st of July through to early Sept). Availability times may vary between tree varieties and must be confirmed prior to dispatch.

Enquiries

Telephone and email enquiries are welcome all year round.

We endeavour to answer all general enquiries and we offer a comprehensive consultancy service for small to large scale site-specific projects. Please see consultancy details below.

Opening Hours

Open 1st of July through to the beginning of September. By appointment Tues. - Fri.

Browsing without appointment is possible on Saturdays (9am - 3pm). Closed Sunday/Monday.

Cash & Carry

A selection of our tree range is available to browse and purchase in the dispatch area during our Winter season. Being a working farm, an appointment is required to ensure service (except on Sat.)

Ordering

Trees may be ordered by telephone or email. You may wish to use this as an order form.

Orders are taken year-round. To avoid disappointment we suggest ordering early, as stock often sells out. A deposit of 25% is required to confirm your order and a written confirmation will be provided.

Order Pick-Up

Orders can be picked up by appointment Tues. to Sat. Please provide at least 48 hours notice.

Will they fit?

You may be surprised how compactly your order can be bundled as bare root trees nest together well and their branches can be tied up against the stems. Even a 3m tree will fit in most family-sized cars.

What to bring

The roots of bare root trees should not be allowed to dry out. It is essential to bring some hessian, old cotton towels/sheets and/or other material that can be wet down to cover the roots.

If transporting in open utilities or trailers it's also essential to bring a tarpaulin as a cover against drying wind. Damp hessian bags are available from our nursery for \$4.40 each.

Tree Delivery

We can usually arrange delivery to most locations in the south-west of Western Australia including (but not limited to): the Perth metro area (inclusive of the Perth Hills); the SW region (Waroona, Harvey, Bunbury, Donnybrook, Bridgetown, Manjimup, Pemberton); the Capes area (Busselton, Dunsborough, Yallingup, Margaret River, Augusta); and the Great Southern (Walpole, Denmark, Albany).

Delivery cost depends on the circumstances. However, it is typically charged as 10% of the total pre-GST order cost, with a minimum fee of \$66 [larger trees and/or more out of the way locations may incur a higher fee. In addition, where delivery is by courier, the roots require special packing for safe travel, attracting a packing fee of \$5.50 per bundle. Interstate freight (outside of Western Australia) can sometimes be organised, but is generally only practical for seedlings sizes.

The above freight/shipping costs are a guide only ~ for specific quotes please [contact us](#)

Consultancy

Feeling unsure about where to start? Get it right the first time. We provide an on-site consultancy service. Make use of our decades of experience with tree planting, design, establishment and management. Cost \$77/hr including travel (weekends \$99/hr).
