**Address:**

629 Jayes Balingup  
Western Australia 6253

**Quantity Discount**

Only applies to prices marked \*

**\* 10% Off**

where 5 or more trees of the same species/line are ordered.

**\* 20% Off**

where 20 or more trees of the same species/line are ordered.

**Farm Grade Trees**

Contact us for availability on smaller seedling stock for bulk farm plantings.

# 2017 Tree Supply

Bare root trees for rural and urban landscapes.  
From bulk supply for large scale plantings to instant advanced trees, we cater for all size properties.

**Availability**

Our trees are "bare-root" and only supplied from the end of June through to the beginning of September. Availability within this time period can vary between tree varieties and should be confirmed prior to dispatch.

**Enquiries**

Telephone, email and fax enquiries are welcome all year round.

We endeavour to answer all general enquiries. We also offer comprehensive consultancy & design advice for small to large scale, site-specific projects. See details below.

**Opening Hours**

By appointment Mon. - Fri. from the end of June through to the beginning of September. Open for browsing Saturdays 9am - 3pm, no appointment necessary (Winter only). Closed Sundays.

**Cash & Carry: Buy without ordering**

A selection of our tree range is available to browse and purchase in the dispatch area during our Winter season. Being a working farm, an appointment is necessary to ensure service.

**Ordering**

Trees may be ordered by telephone or email. You may wish to use the order form supplied.

Orders are taken year-round. We encourage getting in early as stock is often limited.

**Order Confirmation**

A deposit of 20% is required to confirm your order. Written confirmation of your order will be provided.

**Order Pick-Up**

Order pickup by appointment only. Monday through Saturday. Please provide a minimum 24 hours notice.

**Will they fit?**

You may be surprised by how compactly we can bundle your order as bare root trees nest together well and their branches can be tied up against the stems. Even a 3m tree will fit in most family-sized cars.

**What to bring**

The roots of bare-root trees should not be allowed to dry out. It is recommended to bring some hessian, old cotton towels/sheets or other material that can be wet down to cover the roots.

If transporting in open utilities or trailers please bring a tarpaulin as a cover against drying wind.

Damp hessian bags are available from our nursery @ \$4 (+GST) each.

**Tree Delivery**

We can usually arrange delivery of your order. Where this is done by post or courier the tree roots are specially packed to ensure they will travel safely and will incur a packing fee of \$10 (+GST) per bundle. Delivery is charged as 10% of total order cost with a minimum delivery fee of \$55+GST. Delivery fees and times will vary depending on location. For larger trees and more remote areas, a special delivery will need to be organised by us and this usually incurs a 15% of total order fee.

## Consultancy

Feeling unsure about where to start? Get it right the first time. We provide an on-site consultancy service. Make use of our decades of experience with tree planting, design, establishment and management.

Cost \$60 +GST /hr including travel (weekends \$80 +GST /hr).

# 2017 Price List and Order Form

**Standard:** Regular stock. Tree height varies with the characteristics of each species but is usually in the range of 1 - 2 meters.

**Super:** These trees are from the same batch as above, but are the larger, stronger trees of that line.

**Advanced:** Trees are older and significantly larger.

**Small:** The smaller trees in the row.

**\* 10% Off**

where 5 or more trees of the same species/line are ordered.

**\* 20% Off**

where 20 or more trees of the same species/line are ordered.

**Quantity discount applies to prices marked \***
